vast, unspoiled wilderness. From a quiet beach on Lake Winnebago to sandy state parks on inland lakes, the fact that Wisconsin is primarily forest and farmland today continues a tradition that began far before Europeans landed in the state. Wisconsin, also called the Badger State, is the 38th largest state in the United States with a population of 7,034,700. No two Badger State residents live exactly the same, but all share a number of characteristics. Living in Wisconsin has some benefits and challenges for individuals living here. In the booming community of Janesville, for example, such benefits include high wage employment, a thriving retail and service economy, and a strong commuter rail service. But this town is also densely populated, with more than 70,000 residents, and this can be a problem. Janesville is mostly four square miles in area and is the seat of Rock County. It is the largest incorporated place in Wisconsin, which means there are no towns within the city limits of the city, but there are suburbs. Residents in cities and towns need to travel outside the city to get jobs, supplies, health care, and entertainment. The ability to travel to jobs and other destinations is also affected by the availability of
